Wave

by Suzy Lee

E LEE

A wordless picture book that shows a little girl's first experiences at the beach, as she goes from being afraid of the roaring waves to playing on the shore while gulls soar overhead.

FIVE LITTLE SEASHELLS

Five little sea shells lying on the shore.

Swish went the waves and then there were four.

Four little sea shells cozy as could be.

Swish went the waves and then there were three.

Three little sea shells all pearly new.

Swish went the waves and then there were two.

Two little sea shells sleeping in the sun.

Swish went the waves and then there was one.

One little sea shell left all alone

Whispered, "SHHHHHHHH" as I took it home.

SEASHELLS

One pretty seashell on the sand.

Pick it up, hold it in your hand.

Put it by your ear to hear the ocean roar.

Then walk down the beach to look for more.

BABY SEA TURTLES

One baby turtle alone and new.

Finds a friend, and then there are two.

Two baby turtles crawl down to the sea.

They find another, and then there are three.

Three baby turtles crawl along the shore.

They find another, and then there are four.

Four baby turtles go for a dive.

Up swims another, and then there are five.
